Appointment of external director and chairman designate

The Board is pleased to announce the appointment of Philip Wynn as external director with effect from 8th May. Mr Wynn will be elected Chairman at the next Board meeting on 22nd May.

Philip Wynn's agricultural career spans over 30 years, involving the management of a diverse range of farming businesses, as well as strategic advice to clients. He developed Aubourn Farming into a national farming and consultancy organisation, which became part of the Savills Group in the early 1990s. He now runs his own consultancy business with a client base that includes the management of 4,050 hectares of arable and livestock farms in Lincolnshire and Nottinghamshire as well as having several executive management roles in the fresh produce and pet food sectors.
